Dear Ms_Kinney,

This letter is in regards to the December 16, 2013 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits.

☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.

Re-hang. If you need assistance in re-creating the plans, you can access page 14 of the packet I left with you. At the bottom of the page you can access Polk County Assessors page and print off a floor plan of your home to create your plan.

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov.

Put one in vehicle used to transport.

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.

Please use updated form for your pet's vet visit located on the last page.

☐ 110.5(1)s The provider has completed training in CPR for infants, toddlers, and children. Documentation of current certification is on file.

Your certificate has expired. Please retake. You can access page 29 in your packet for sign up options. You can also call Child Care Resource and Assistance at 1-866-722-7619 for assistance with getting this class scheduled.

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ 110.5(4) **The certificate of registration is displayed in a conspicuous place.**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before February 17, 2014.**

☐ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after _____.

x ☐ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
